REPORT ON TEACHERS' INDUCTION PROGRAM

Mahajubilee Training College, Mulloorkkara, CALICUT University organized a one-day virtual teacher orientation program in line with the ICT enabled teaching-learning requirements. The most striking and latest innovation in the field of education is the integration of Information and Communication technology (ICT) in education. The session was headed by Dr. K.S Sajan, Asst.Prof. in Natural Science, NSS Training College Ottappalam. The educational institutions, administrators, and teachers should cope with the suddenly increasing demand for information and skills. The rapidly changing nature of computer technology continues to expand the range of resources available for any subject- specific learning. Educators must be imaginative, flexible and willing to renew their vision of teaching and learning if they are to fully realize the potential of educational technology.

Rev. Dr. Chacko Chiramel
