COMMUNITY BASED FIELD WORK PROGRAMME

As a part of B.Ed. curriculum, we are conducted an SUPW session for the 4th semester B.Ed. students of 2019- 21. SUPW stands for socially useful protective work as a purposely productive work and services related to the needs of the child and the community will be proved meaningful to the learner. The criterion for selection of activities should just be that the work involved. is protective educated and socially useful.
